What did Florida look like during the Ice Age? The new book *Ice Age Florida: In Story and Art* by HPNA resident and member Dr. Robert Sinibaldi addresses that question. Come to the next meeting and see a brief slide show presentation of what Florida, Saint Pete, and your Holiday Park Neighborhood looked like during the Ice Age. For those who might be interested in a deeper understanding, auto-graphed copies of the book will be available for purchase at \$60 (25% of the cover price of \$80).

I am so proud of all HPNA has accomplished in the last year, and our hard work is being recognized. Last spring, Holiday Park earned the Mayor's Principles of Progress Award for Inclusivity for our "significant expansion of outreach and increase in participation," which was quite an honor. Also last spring, HPNA was recognized as a Healthier Together Certified Partner as part of the City of St. Petersburg's Healthy St. Pete. Initiative. Way to go, Holiday Park!

As we start 2023, HPNA hopes to continue to increase participation with your help. At our January HPNA General Meeting, we welcomed Michael R. Lewis, the new Captain of Fire House #2 on 66th Street and heard updates about the new home of this fire station. We look forward to other interesting speakers at our General Meetings, including our friend and neighbor, Dr. Robert Sinibaldi, who will be talking about his exciting new book. We will also have regular updates from District 1 Councilman Copley Gerdes and our neighborhood Community Service Officer at these meetings. HPNA will also continue monthly neighborhood walks and the West St. Pete. Food Drives, to which you donated so generously. Our friends and neighbors of La Strada Mobile Kitchen will still be periodically stopping by Northwest for Food Truck Thursday. Hope you will join us!

To enable HPNA to continue our community building efforts, we hope all 700+ homes in Holiday Park will take a moment to send in voluntary association dues. With these funds, HPNA decorates and maintains our medians, presents beautification awards and holiday light winners, publishes newsletters, delivers welcome baskets, plans social activities, and more. We will also continue to serve as a link between the City and our neighborhood, passing on important information from and about the City of St. Petersburg.

Thank you, in advance, for your support. Finally, I want to send a huge thank you and hug to all of our dedicated, talented, generous, and caring volunteers for helping make Holiday Park such a great neighborhood. Hope to meet more of you in 2023!
